Our Products are Evaluated Under the CSA Special Inspection Program

Power Panels For Solar Installations

Magnum MS2012 inverter with PT100 charge controller 120VAC
Magnum MS2812 inverter with PT100 charge controller 120VAC
Magnum MS4024 inverter with PT100 charge controller 120VAC
Magnum MS4024PAE inverter with PT100 charge controller 120/240VAC
Dual MS4024PAE inverters with PT100 charge controller 120/240VAC
Magnum MS4448PAE inverter with PT100 charge controller 120/240VAC
Dual MS4448PAE inverters with PT100 charge controller 120/240VAC
Magnum Expandable MS4448PAE Power Panel - includes one inverter on a double back plate with PT100 charge controller 120/240VAC
Magnum Expansion Kit for above MS4448PAE Power Panel
Triple Magnum MS4448PAE inverters w/2 PT100 charge controllers 120/240VAC
Quad Magnum MS4448PAE inverters w/2 PT100 charge controllers 120/240VAC

Power Panels For Micro Hydro Installations

Magnum MS2012 inverter with TriStar TS60 charge controller 120VAC
Magnum MS2812 inverter with TriStar TS60 charge controller 120VAC
Magnum MS4024 inverter with TriStar TS60 charge controller 120VAC
Magnum MS4024PAE inverter with TriStar TS60 charge controller 120/240VAC
Magnum MS4448PAE inverter with TriStar TS60 charge controller 120/240VAC

Quad Inverter Power Panel

Authorized  Dealer

Warranty: When installed on a Magnum Power Panel, the warranty on the Magnum Inverter & accessories increases to 5 years.
